Continuation of 3. NOTE: Applicant's amendment after final rejection, filed on 3/19/07, is acknowledged. While the amendment would appear to overcome the rejections under 35 U.S.C. 112, first paragraph, presented in the Office action mailed on 11/30/06, the amendment has not been entered because entry of the amendment would require new rejections of claim 84 under 35 U.S.C. 112, first paragraph and 35 U.S.C. 102(b). Furthermore, additional consideration would be required to ascertain whether the specification supports the newly submitted sequence listing.

Continuation of 11. does NOT place the application in condition for allowance because: The request for reconsideration in the reply filed on 3/19/07 has been considered, however, the amendment does not place the application in condition for allowance. The amendment to the claims has not been entered at least for the reasons set forth above. See MPEP § 714.13. Applicant's arguments in the amendment filed on 3/19/07 have been fully considered. However, in view of the non-entry of the amendment, applicant's arguments are not found persuasive to overcome the outstanding rejection(s) as set forth in the Office action mailed on 11/30/06 for the reasons of record stated therein.
